

MAISON A.GOICHOT

LADOIX 1ER CRU
Les Gréchons

Grape variety: 100 % Chardonnay
Climat: Les Gréchons
Servicing temperature: 10-12°
Ageing: 7-9 years

Plot

Only a few winegrowers have plots in the "?Les Grechons' climat, which is one of the eleven Ladoix 1er Cru. This wine is a 100% Chardonnay whose 40-year-old vines are grown at an altitude of 360 metres facing east.

Vinification | Aging

The grapes are pressed directly after harvesting, followed by alcoholic and malolactic fermentation in oak barrels. The wine is aged for around 12 months before being prepared for bottling.

Tasting

Our Ladoix 1er Cru Les Gréchons is a beautiful straw-yellow colour. A very aromatic and expressive wine with aromatic notes of white flowers, yellow fruit and butter. A lovely attack on the palate, direct, round and generous, this wine is slightly buttery.

Food and wine pairing

Ideal with delicate fish dishes such as scallops, monkfish or even poultry dishes.
